We are well into spring and hope that your perversions are in full bloom!

The beautiful and fresh-faced covergirl Freya Parker graces our pages this issue. Though she is a relative new comer, Freya has a genuine curiosity and knows enough to practice in a safe environment. A self-professed stocking fetishist, Freya is perfectly suited for all things legs.

Connie Perignon thunders onto the scene with willing submissive Sloppi Chulo in tow. Strong and powerful, Mistress Connie puts him through the paces, using him as a foot stool, an ashtray and to hold her pee-pee pot while gushing her golden fluid. His favorite duty of all is tongue cleaning Connie after a good piss. She'll oblige him this time, but don't get too cozy. A good man knows his place.

Rubber crew Lucy, Lucia and Bruno show us a thing or two about their training techniques. Poor Lucia takes the brunt of punishment that Bruno dishes out. Swinging the crop hard, he tenderizes Lucia's ass before prepping her exposed pussy to four finger and half-hand penetration. Lucy is very eager to step in, lapping the dripping juices from his outstretched digits. Lucy buries her face in Lucia's quivering quim, juicing herself to prepare for their double-dong gyration finale.

Expert George introduces Johane to a variety of menacing anal probes. She views the with skepticism and excitement. When he cuffs her, she knows his hard meat is not far behind.

When did you start fetish modeling and under what circumstances?
This is my first time! I've done fetish stuff in my personal life and for OnlyFans, but Taboo is my first foray into fetish modeling for a magazine.

How did you feel the first time you took your clothes off for the camera?
Hot. I'm so much more comfortable naked than I am clothed so it felt empowering and sexy.

How did you become aware of fetishism or your fetishistic side?
I've always been a little bit of a pervert. I have a dominant personality by nature, so it was only a matter of time that I would start to experiment. Having open minded partners helped a lot.

What fetishes do you like personally? What do you fetishize in your life?
I would say I'm a switch with a lean towards domme. It takes a very particular type of person to make me feel comfortable enough to sub for them. Just off the top of my head, I like public stuff, pet play, foot worship, smothering/face-sitting, cbt, pegging, pissplay… to name a few. I really vibe off of good energy; if my partner is really into something, there's a chance I'd be into it too.

Do you wear fetish clothes in public? What are your favorite items?
I think latex in public is such a look, but because of my nails I'm usually too scared to rip anything. But I'll indulge in a harness or two.

Have you ever scened in public?
Only low key. I try not to be too crazy in public because other people didn't consent to watching it!

Are you dominant, submissive or a switch?
I'm a switch, with a dominant lean.

Have your sexual boundaries changed over time? Are there things you wouldn't do before that you like now?
Oh man, a ton of things. I used to be more of a sub when I was younger but I think it was because society kinda told me that as a woman you should be more submissive. As I've gotten older, I've really been able to lean into my dominant self. Being able to control a man is really, really sexy to me.

Is there anything you would like to try sexually/kinky that you have not done yet?
Surprisingly, I've never been in a gangbang and it's on the top of my list of things to do! I think they're so hot.

Do you like rough sex?
I do. Soft passionate sex is nice, but what really gets me going is getting pounded to smithereens. I want to feel the aggression and intensity. Throw me around, pull my hair. All of that.

What about pissing or golden showers? Has anyone pissed on you? Or you on them?
I love pissing on others. I used to waterboard my ex with my piss haha. I've never been pissed on though… not sure how I would feel about that.

How do you feel about anal sex?
I'm not an anal girl at all. I KNOW. I think a plug here or there is fun but I rarely ever do anal.

What are your hard limits?
Not into scat, blood, vomit.

What is the most requested thing you are asked to do by your fans/followers?
Anal, always anal.

Do you get requests for pantyhose? Stockings, shoes etc.
Yes, I have tons of foot guys! Love them.

Do you like foot and leg fetishism, attention to your feet?
Love love love. I love having my toes sucked and my feet worshipped. One of my favorite things is when I smother someone's face with my feet and they jerk off until they cum all over themselves. So hot. If a man isn't obsessed with my feet, he's not the one for me.

What kind of porn do you prefer? What do you search for?
Honestly? Big asses, big fake titties, and gangbangs. Gonzo all day.

Are you in a fetish lifestyle partnership? Would you like to be?
I have been but I currently am not. I'm not sure if I'm ready to introduce that into my life again at this point in time but maybe down the line.

Why did you want to shoot for TABOO?
Because why not??? Fetish has always kinda been a behind closed doors thing for me so I wanted to try something new and it was hot as fuck!

What was your favorite part of shooting for TABOO?
Working with a legend like Ellen Stagg and how much fun we had on set. It was something brand new for me. As I said, it's my first time shooting for print and it was so cool for me to get out of my comfort zone!

TAYLOR VIXEN

PHOTOGRAPHER
LEE FORBES

Taylor's heard about this one. Not much for conversation, he keeps her tottering on heels just long enough for a thorough inspection, then sends her sprawling with a slap. Landing hard, she can't help glaring. It makes him laugh. Releasing the hobbles, he orders her to wriggle out of her spotted knickers. It's not easy to obey with the rigid bar between her wrists, and it presents her in the rudest way.

The tit-stretcher is a truly sophisticated instrument to torture, holding Taylor's nipples in crushing clover-clamps while he slowly increases the tension on her tender tips by twisting the center rod. He makes her wear it while she sucks his cock for a bit, but he's more the hurting kind. Taylor's anguished relief at its release is soon replaced by a new misery, the searing dressage whip applied to her wide-open crotch, which she can't protect at all with her hands and thumbs cuffed achingly high overhead. He really lays on the lash, concentrating the crimson streaks along her inner thighs and across her gleaming pussy. Yes, she's juicy whether she likes it or not, the fat plug anchored in her depths glistening with the proof. He's going to let her put on a show for him, taking herself right to the edge, before he nails her at his leisure, making Taylor come and come.

And she's going to do her best to make him want more. No one can make her change her spots, but the right man can at least add some fresh stripes.

When did you start fetish modeling and under what circumstances?

A couple months into my adult career, I did my very first bondage scene. That was two years ago. Now bondage is a regular part of my work.

How did you feel the first time you took your clothes off for the camera?

I wasn't nervous at all. I was so excited and had been anticipating it for some time. I loved it!

How did you become aware of fetishism or your fetishistic side?

I am fortunate enough to be a part of an industry where I can experiment in a controlled and safe environment. I was able to find this out through working and trying new things. I'm always learning about new kinks I like, things I didn't even know were classified as "fetishes".

What fetishes do you like personally? What do you fetishize in your life?

I've recently discovered that I like women in stockings and tights, and I like wearing them myself. They're so sexy and fun to rip. I also like feet and having my toes sucked on before sex.

Do you wear fetish clothes in public? What are your favorite items?

Sometimes if I'm on my way to work, or going to an event, I will wear my favorite stockings out.

Have you ever scened in public?

I haven't before, but I do have a fantasy of being walked around on a leash in public. It's something that my conscience frequents. If I found the right person, I would definitely do it.

Are you dominant, submissive or a switch?

I'm definitely submissive with both men and women. I like being controlled in the bedroom and used like a toy. It gets me off knowing that I'm getting someone else off. I'm open to exploring my dominant side, but for now I'm pretty submissive.

Have your sexual boundaries changed over time? Are there things you wouldn't do before that you like now?

My boundaries are always changing and expanding. I'm always open and I like to say, "I'll try everything once!" So, yes, as a young woman I'm constantly questioning and challenging my sexuality and desires.

Are there any kinks you would like to try that you have not done yet?

I would like to eventually try anal with a man. It's not that I've ever been opposed to it, but all sexual experiences in my life when I was open to it. I know when the time is right, I will definitely be open to anal sex. It's a goal for me.

Do you like rough sex?

Yes. I find myself fantasizing about rough sex a lot more than anything else. This goes for men and women. I like the idea of a man using my throat to service him, as well as the rest of my body for his pleasure. I like to be tossed around a bit. The same goes for women, I often fantasize about a woman taking charge of me. That's my favorite fantasy.

What about pissing or golden showers? Has anyone pissed on you? Or you on them?

I've just recently discovered the excitement of golden showers. It was not something I thought about before entering the adult film industry. Lots of people like it though. I've never peed on anyone, or vice versa. It's definitely something I'd like to try eventually!

How do you feel about anal sex?

I've only ever had fingers in my ass, but hopefully one day I can graduate to someone's cock inside of me.

What are your hard limits?

Face slapping is a no for me. I'm open to most other things.

What is the most requested thing you are asked to do by your fans/followers? Any outrageous requests?

Anal sex. Be patient with me!…

Do you get requests for pantyhose, stockings, shoes etc.

Yes! And as I mentioned earlier, I love those things myself. So I get excited when I get to indulge others in that fetish!

Do you like foot and leg fetishism, attention to your feet?

I do! I get tingles all throughout my body when someone sucks on my feet and toes. The same goes for under my knees. It's something I discovered within the past couple years, and I enjoy it a lot.

What kind of porn do you prefer? What do you search for on the internet?

It really depends on the day, and my mood. If I want something sexy and sensual I usually enjoy lesbian porn. It can be so hot yet relaxing. But if I wake up really horny and just want to get off, I'll usually watch blowjob videos or outdoor sex, that's always hot to me.

Why did you want to shoot for TABOO?

I used to collect Taboo magazines and always found them intriguing. I learn something new every time I look at one, and I think that's super cool.

What was your favorite part of shooting for TABOO?

Clothes pins! Those had such a new and interesting sensation. I enjoyed trying new things and seeing what my body is capable of!
